## Help connecting to get the job done!

### **Some of Canada's best managed companies have asked for Help.**

*Help Unlimited has provided excellent service by responding quickly and honestly to our demands.*

*The accounts I manage are extremely demanding requiring drivers with a specific skill set and Help Unlimited continues to consistently fulfill my needs.*

*I am very happy with their service and look forward to a continued relationship.*

*Peter Nicholson  
Senior Operations Manager  
Canada Cartage Systems Ltd.*

*We operate the biggest residential fleet in the country and Help Unlimited has filled our temporary worker requirements consistently with reliable, productive workers for many years. One of the important benefits of using Help Unlimited is the availability of dispatch and management early in the mornings to troubleshoot any issues.*

*We have found Help Unlimited to be reliable and sensitive to the demanding needs of our large contract.*

*Garnet Barnsdale  
District Operations Manager  
Waste Management of Canada Corporation*

*Help Unlimited offers over 40 years of direct experience in the staffing industry, partnering with some of Canada's best-managed companies. We take great pride in being part of an experienced team with the expertise to source qualified and reliable personnel for Canadian organizations needing to succeed in today's competitive market. Originally providing staff to distribution, logistics and transportation industries, over time our reach has expanded to driving, industrial and office staffing solutions. Today Help Unlimited employs hundreds of candidates in temporary positions daily and provides hundreds more with permanent placement opportunities annually.*

*Having the capacity to supply to a very diverse job market has earned us a reputation as a preferred choice of employees and employers. Recruiting and placing the right people in the right job is our mission.*

*Help Unlimited welcomes the opportunity to serve you.*

*Please feel free to contact us at no obligation, and remember no job is too small or too big for our team. We look forward to hearing from you.*

*Yours in service and partnership,  
The Operations Team*

***Our top priority is to satisfy the needs of our customers.***

# Help finding people and jobs.

### Office

Administrative

Managerial

Telecommunications

The benefit of Help is just a call away!

Hiring our people temporarily can be a valued cost saving when compared with paying employee benefits.

## Help matching employees to employers.

### **When you hire us, it's our job! Save time, effort and expense.**

Throughout the employment process we select only qualified candidates for consideration, administrate employment contracts, payroll and benefits, and Workplace Safety and Insurance Board [WSIB] transactions to meet Service Canada and Canada Revenue Agency requirements.

Whatever your business staffing needs, we are the industry experts who provide hard working, dependable people.

#### **Job Analysis**

Our experienced team meets with customers to determine personnel requirements.

#### **Sourcing**

The need for people and jobs is spread through advertising, social media, job fairs and newspapers that attract dependable candidates with integrity and confidence for reputable employers.

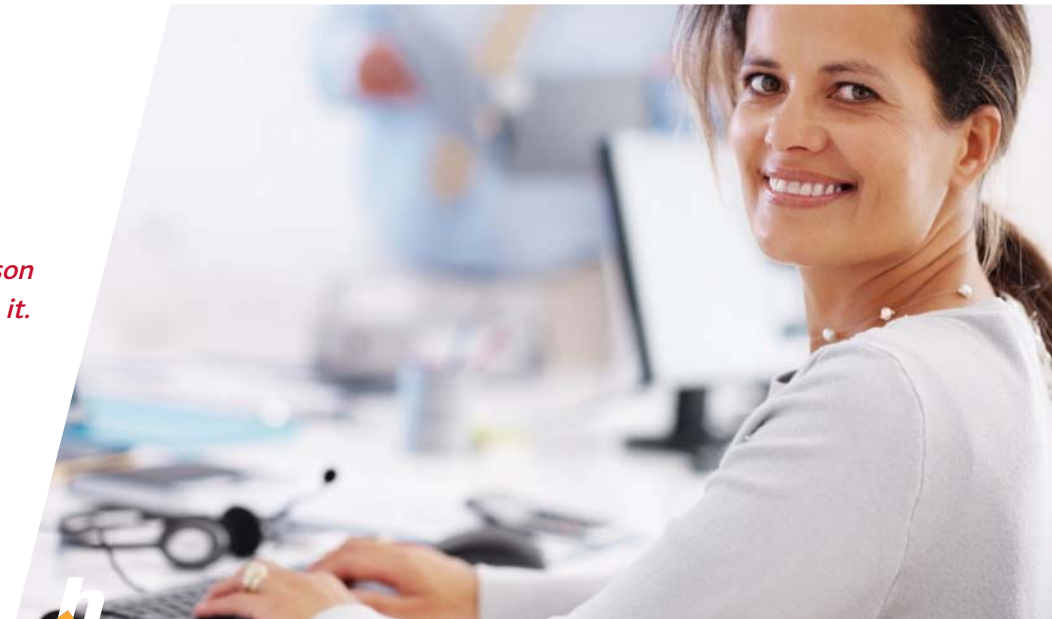

#### **Screening and Selection**

Our Operations Team evaluates applicants based on employers' requirements. Each applicant is evaluated on skills, knowledge, aptitude, qualifications, education, job related experience and physical limitations. This information is filtered from job applications, resumes, interviews, performance based testing, professional certificates and references, to equal opportunity and ethical standards.

#### **Training and Hiring**

As added assurance for the employer, essential pre-hiring training is conducted, next candidates are referred to the potential employer along with the relevant documentation and upon acceptance, selected individuals are placed within the organization.

**We find the right person  
for the job and we guarantee it.**
